IDEAS FOR CREATING BETTER ORGANIZATION IN YOUR NEW HOME

Moving into a new home can be a perfect opportunity to establish a more organized lifestyle. Begin now with these ideas:

BEDROOM CLOSET

Store seasonal and less worn items at the top or back of your closet so frequently worn items are easier to reach.

HOME OFFICE

Create a correspondence organizer for sorting mail, bills, and follow-up materials as you receive them.

GARAGE

Utilize pegboard and hooks to keep items visible and easily accessible.

MEDIA/ENTERTAINMENT ROOM

Accessorize your drawers with trays to store CD/DVDs to keep your collection in order.

PANTRY

Create shelves that are wide but not too deep, so items are easily seen and found when needed.

LAUNDRY

Create a space to hang clothes promptly, requiring less ironing time.
